

PIRANHA LOX
MADE IN USA

PIRANHA LOX *The Secure Solution*

The ingenious design of Piranha Lox® is as simple as it is adaptable. Wherever there is a need to securely mount an item, Piranha Lox is the answer. Engineered and manufactured to securely hold large or small items in place, Piranha Lox gives you peace of mind, ensuring your items stay mounted where you want and need them. With a simple flip of the lever items can be easily removed from the mounted backing plate and reinstalled in seconds. Nothing is easier, more secure, or simpler to use.

All Piranha Lox products are proudly manufactured in the USA!
